## **INTERCAMPUS TRANSFER POLICY, PROCEDURES & GUIDELINES**

In order to ensure an equitable enrollment and transfer process, and to avoid any misunderstandings, it is important that each campus and transfer applicant follow the established school-wide policy and procedures.

In order to be included into the existing candidate pool, families wishing a transfer must complete and submit the *Intercampus Transfer Request* form as soon as possible and before the deadline of **November 30** (annually if necessary) to the Admissions Department at [admissions@lilaschool.com](mailto:admissions@lilaschool.com).

Transfers are not automatic or guaranteed. The administration on both the receiving and current campuses must agree to the transfer.

All transfer requests will be dealt with individually and on a case by case basis at the sole discretion of the School.

Determinations are dependent on a number of criteria, including but not limited to:

- availability
- impact on campus
- class composition
- individual circumstances, reason and motivation for the transfer request
- date of request

School personnel cannot provide nor imply a firm indication, timeline, or commitment to transfer.

We encourage families to follow-up proactively with the Admissions Department in a timely and on-going basis.
