

SES

2^{nde} (10th Grade FB) [4 periods per week]

Mr. Mathieu Bonin

Course Description

The SES course includes a course in economics, sociology and political science. The aim is both to understand the scientific approach specific to each discipline and to tackle classical themes developed by these fields.

The skills developed are as follows

- Ability to identify and explain mechanisms.
- Ability to illustrate mechanisms.
- Ability to analyze documents
- Ability to build reasoning based on accurate knowledge of mechanisms and rigorous analysis of documents
