Dear LILA LA Community,

Thank you to all of our families who joined us virtually for last night's weekly Head of School briefing.

As mentioned during the meeting, LA County remains in the Widespread (purple) category in the State Reopening Framework. This means that **Tuesday, October 27** is now the earliest date by which we could have confirmation of our ability to reopen for in-person K-12 learning. Should we indeed receive such confirmation on October 27, our LA campuses would look to begin staggered reopenings by grade level thereafter.

I wish you and your children a restful October break and look forward to reconnecting with you during our next briefing on Tuesday, October 20.

Warm regards,

Michael Maniska  
Head of School
