Campuses
Burbank
Los Feliz
Orange County
Pasadena
West Valley

Dear LILA LA Community,

Thank you to all of our families who joined us for last night's Head of School briefing.

As mentioned during the meeting, LA County remains in the Widespread (purple) category in the State Reopening Framework. As it stands, **Tuesday, December 1** is now the earliest date by which we could have confirmation of our ability to reopen fully for in-person learning.

As you are likely aware, we have submitted our Kindergarten – 2nd grade waiver applications for our Los Feliz, Pasadena, and West Valley campuses. We have not yet received an answer regarding our applications, but we will certainly keep our Kindergarten – 2nd grade families apprised of any progress toward an approval.

In the meantime, we are eager to welcome small groups of students onto our LA campuses through the specialized in-school services provision from the LA County Department of Public Health. This will begin during the week of November 16 and will look different on each campus. Further to the information shared during last night's campus check-ins, details will be forthcoming from your Campus Director.

Please note that our next Head of School briefing will not take place until **Tuesday, December 1**. I look forward to reconnecting with you then.

Warm regards,

Michael Maniska
Head of School
