Campuses  
Burbank  
Los Feliz  
Orange County  
Pasadena  
West Valley

Dear LILA LA Community,

It was lovely to reconnect with so many of you during last night's Head of School briefing.

As you are likely aware, a Targeted Safer at Home Order was issued for LA County on December 30, 2020. This Order allows schools that are already open to stay open, so on-campus learning will continue for our preschool – 2nd grade classes.

That being said, we have made some key decisions as a result of the fact that LA County remains very much in the Widespread (purple) tier of the State's reopening framework, together with the expectation that we are heading into an aggravated post-holiday surge. Please note the following details for the weeks ahead at our LA-area campuses:

- **For the entire month of January**, the following arrangements will apply:
  - By campus, only classes in preschool – 2<sup>nd</sup> grade will continue in person as they have been. For any questions about arrangements on your campus, please reach out to your campus director.
  - All 3<sup>rd</sup> – 12<sup>th</sup> grade classes will continue to operate exclusively in remote e-Learning mode.
- **From Monday, February 1**, we foresee the following:
  - By campus, preschool – 2nd grade classes will continue in person.
  - In all likelihood, in-person learning for 3<sup>rd</sup> – 12<sup>th</sup> grade during the month of February will be for only a limited number of students under the specialized services provision. Your campus director will keep you apprised of site-specific details.

Please note that our next Head of School briefing will not take place until February (exact date TBC). As always, I will continue to be in touch regularly to share any important updates in the meantime.

Thank you for your continued partnership and support of our efforts to maximize the health and well-being of every member of our LILA community.

Warm regards,

Michael Maniska  
Head of School
