Dear LILA LA Community,

Although the LA County COVID-19 case rate has been trending favorably over the last couple of weeks, the County currently remains in the Widespread (purple) tier of the State's reopening framework. For now, the following arrangements will continue to apply for our LA-area campuses:

- By campus, preschool – 2nd grade classes will continue in person as they have been.
- In-person learning will continue to be available for a limited number of 3rd – 12th grade students under the specialized services provision, as determined by campus. Classes will continue in remote e-Learning mode for all other 3rd – 12th grade students.

For any questions about arrangements for your campus, please reach out to your campus director.

I hope you will join me for our Head of School briefing next **Tuesday, February 9 at 5:00pm**. Until then, be well.

Warm regards,

Michael Maniska
Head of School
