

West Valley K-5th Uniform Policy

Uniform Policy:

Note: A school uniform is not required for students entering preschool & pre-Kindergarten.

At the West Valley campus, a school uniform policy is in effect and mandatory for Kindergarten through 5th grade every day of the week except Friday. Wearing the school's field trip t-shirt during school-sponsored activities (school field trips, excursions, etc.) is required even on Fridays and weekends. Families will be alerted to special occasions upon which students can wear a different color (ex: Friendship Day, Valentine's Day, etc.).

The uniform consists of a white or navy-blue polo shirt, or the school's field trip t-shirt, with solid khaki or navy color pants, shorts, skirts/shorts, or jumper. **Please note that plain white and navy tops and plain khaki or navy bottoms will be the only accepted alternative.**

Obtaining a Uniform:

- Field Trip T-shirts may be purchased at the office.
- Official school branded uniforms can be purchased through [Lands' End](#). Our school number is **900119140**.

Labeling:

Please clearly label all belongings with your child's name! It is also absolutely essential to label all food containers!

Our returning students and parents know that our lost and found bin stacks up quite rapidly. Labeling your child(ren)'s clothes, lunch boxes, bags, and other items is extremely helpful. Before each school break, any items remaining in the lost and found area will be donated to local charities.
