

INVENTOR'S

CAMP

DAY 1

Setting Sail

DAY 2

Airplane Engineer

DAY 3

Air Rocketry

DAY 4

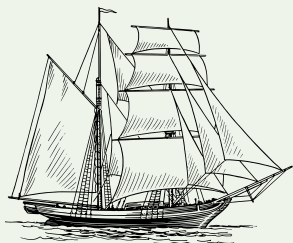

**Technology
of the Future**

DAY 5

Into the Future

Children will engage their imaginations to solve problems and design inventions using simple materials, principles from physics, ideas from great inventors, and the most important of all, their minds. With a little bit of ingenuity, children will design model boats, submarines and airplanes, and construct working light sticks to take home. Like the Wright Brothers themselves, children will find that they can hardly wait to get up in the morning!

International School of Los Angeles

Los Feliz

February 19–23, 2024

9am–3pm
